

**Product features:** 

## **Product description:**

The Garlando outdoor trampoline cover protects the trampoline trampoline from bad weather, ultraviolet rays, dust and dirt and from damage caused by any pets.

The cover **sheet** is shaped and elasticized and entirely covers the carpet and the spring protection cushion.

Provided with a central drainage **hole** to prevent water stagnation. Fixing to the ends of the springs with tie rods and S-hooks.

Made of tear-resistant waterproof acrylic, light blue color.
