Weight of the packaged product: Door dimensions: MT 1.8X1.2

Product description:

This medium-sized Smart Goal soccer goal comes with an easily removable rebound wall with two targets to improve your playing skills.

Easy to assemble and store thanks to the Quick Fit interlocking system, it is supplied with U-shaped hooks for fixing in any type of terrain.

Includes a convenient bag to carry the door anywhere.

The high-strength steel tube **frame** has a diameter of 32mm in Silver colour.

The **net** is made of outdoor polyester, resistant to UV rays with a double fixing system to the frame, with perimeter rope and Velcro straps.

The **rebound wall** with targets is made of weatherproof Oxford Nylon fabric, supplied with Quick Snap hooks for easy attachment to the frame, blue colour.

Equipped with 6 U-shaped **hooks** for fixing to the ground.
