Weight of the packaged product:

Basket height: 195 - 260 cm

**Product description:**

**The Tucson Garlando Ballasted Basketball System** is perfect for the whole family.

**The base of the plant** is made of black molded polyethylene, easily transportable thanks to the wheels on the front and fillable with water or sand to ensure maximum stability during play.

The upper part of the system is made of telescopic steel tube and reinforcing braces, powder coated in red.

The **scoreboard** measuring 81x53x2.35 cm in sturdy plastic material is complete with a powder-coated steel basket with a fixed circle with a diameter of 45 cm and a polypropylene net for outdoor use.

The **ballast** can be filled with water or sand for a maximum weight of 50 and 90 kg respectively.

**The height of the basket is adjustable to multiple positions**, up to the maximum regulatory size of **2.6 m**.
