Product description:

The **Fit & Balance ToGo Indoor Trampoline** has a powder-coated steel frame.

There are eight **legs** with a diameter of 25 mm and made of powder-coated steel equipped with non-slip feet.

The **rug** is made of Permatron polypropylene, made in the USA, UV resistant, black. The **sheet** is joined to the springs by a series of V-rings covered in fabric with numerous rows of stitches.

The **protective cushions**, 22 cm wide, have an external PVC covering, light blue color, and an internal high-density foam rubber.

The 44 **springs** are made of steel.
