

Chicago 5 Garlando pool table MDF game top

**Product features:**

Material: MDF (Medium Density Fiberboard)

Product weight:

Playing field:

**Product description:**

The **Chicago 5 Garlando pool table** is ideal for those who don't have much space and want to start playing billiards.

The **furniture** is made of melamine-faced MDF with a dark walnut-coloured coating.

The **legs** are in melamine MDF, 12 mm thick, with black covering and cherry-coloured crosspieces.

The 12 mm thick MDF **playing surface** covered with good quality Taclon cloth in classic green.

Rubber **sides** with L-shaped profile for correct ball bounce.

Manual recovery of the marbles using baskets placed in correspondence with the holes.
