Product description:

The 3m x 2m is the official regulation size for 5-a-side matches and tournaments, although the quality of this goal makes it equally suitable for club training sessions. Our football goals, weatherproof and highly durable, is perfect for outdoor use as well as classic indoor 5-a-side matches. As well as being an ideal football goal for clubs, the 5-a-side capabilities also make it a premium option for schools, coaches and sports centres.

The pair of football goals 3x2 meters in powder-coated tubular steel, diameter 80 mm, has a side profile 80 cm in the upper part and 100 cm in the lower part.

Made in our factory, these five-a-side goals can be installed to the ground, indoor and outdoor. Having been powder coated in a classic white, the weatherproof football goal can endure the depths of winter as well as sun-kissed summer afternoons, boasting the ability to stay set up outdoors throughout the season.

The goals include a pair of standard nylon nets with Ø 2.5 mm knotted white thread.

In addition to the playing nets, the goals are supplied with all the nuts and bolts useful for their assembly and fixing to the playing field.

The pair of goals is disassembled, just check the "attachments" section of the product to download the assembly instructions.

The 3x2 goals are available in two models:

- Transportable, to fix on the ground by locking pins

- Fixed, equipped with bushes to be buried
