

Pair of 4x2 m. steel football goals

#### Product features:

Material: 2 mm thick steel

Finish: Powder-coated

Door dimensions: MT 4x2

#### Product description:

The **4m x 2m football goals**, weatherproof and highly durable, is perfect for outdoor use as well as classic indoor 5-a-side matches. As well as being an ideal football goal for clubs, the 5-a-side capabilities also make it a premium option for schools, coaches and sports centres.

The **pair of football goals 4x2 meters** in **powder-coated tubular steel**, diameter 80 mm, has a side profile 80 cm in the upper part and 100 cm in the lower part.

**Made in our factory**, these five-a-side goals can be installed to the ground, indoor and outdoor. Having been powder coated in a classic white, the weatherproof football goal can endure the depths of winter as well as sun-kissed summer afternoons, boasting the ability to stay set up outdoors throughout the season.

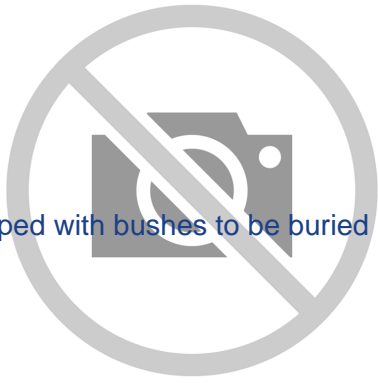

Goals with dimensions of **4x2 meters** are indicated by the FIGC for tournaments and competitions in the "First Year" and "Junior" category.

The goals are supplied with all the nuts and bolts useful for their assembly and fixing to the playing field.

The pair of goals is disassembled, just check the "attachments" section of the product to download the assembly instructions.

The **4x2 goals** are available in two models:

- **Transportable**, to fix on the ground by locking pins

- **Fixed**, equipped with bushes to be buried
