

Pair of 6x2 m. steel football goals

Product features:

Material: 2 mm thick steel

Finish: Powder-coated

Door dimensions: MT 6x2

Product description:

The **6m x 2m football goals**, weatherproof and highly durable, is perfect for **outdoor use as well as classic indoor matches**. As well as being an ideal football goal for **clubs**, these are also a premium option for **schools, coaches and sports centres**.

The pair of **football goals 6x2 meters** in powder-coated tubular steel, diameter 80 mm, has a side profile 80 cm in the upper part and 100 cm in the lower part.

Made in our factory, these football goals can be installed to the ground, indoor and outdoor. Having been powder coated in a classic white, the weatherproof football goal can endure the depths of winter as well as sun-kissed summer afternoons, boasting the ability to stay set up outdoors throughout the season.

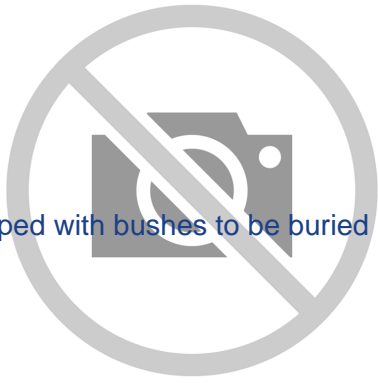

Goals with dimensions of 6x2 meters are indicated by the FIGC for tournaments and competitions in the "**junior**", "**debutante**" and "**under 15 woman**" category.

The goals are supplied with all the nuts and bolts useful for their assembly and fixing to the playing field.

The pair of goals is disassembled, just check the "attachments" section of the product to download the assembly instructions.

The 6x2 goals are available in two models:

- **Transportable**, to fix on the ground by locking pins

- **Fixed**, equipped with bushes to be buried
