

Monobloc seat with high backrest for courtside benches

Product features:

Material: PVC

Product description:

Seat shell with high backrest, made of monobloc PVC and equipped with high backrest.

Thanks to the backrest, this seat is much more **comfortable** than its counterpart without this accessory.

The PVC used has **excellent resistance to atmospheric agents and discoloration.**

The seat is mounted on **courtside benches for reserves and football coaches** or boxes for tennis referees.

Always available for immediate delivery, the **Red, Blue and Green colors.**

Other colors only on request and for large quantities.
