Dimensions:

Product description:

Signage kit for the **delimitation of the Beach Soccer field, 37x28 metres** , complete with pegs and elastic bands.

An essential accessory for **delimiting the playing field** , this kit useful for **creating a beach soccer pitch** is made with **80mm nylon** tapes and is complete with **pegs and elastic bands** for fixing to the sand. The **size** is the **regulatory** one decided by the Federation, of 37x28 metres.

The **blue color** makes the playing area visible under both natural and artificial light, thus allowing matches and tournaments to take place in **all lighting conditions**.

The Kit is composed of:

- 2 ribbons of 37 meters
- 2 ribbons of 28 meters
- 8 Pegs
- 8 elastics
