Product description:

The **Molten 4800 "Trofeo"** soccer ball has always been a guarantee in the field of **professional balls**.

Made of high quality **synthetic leather** with **a soft touch finish**, this ball is **hand-stitched** to guarantee extremely high production quality.

The ball **can be used on all surfaces** , and in all weather and visibility conditions.

In the past, all these characteristics made it the official ball of the National Amateur League and it is still **chosen today by many clubs to play official matches**.
