Product weight: 14,3 kg

Product description:

Floor **exercise mat** made with an **open cell polyurethane molding** system, dimensions 200x100x5(h) cm

Suitable for **floor gymnastic exercises, artistic gymnastics, rhythmic gymnastics and apparatus release** , this mat, thanks to its particular construction, is characterized by an **excellent shock absorption capacity**.

Since it has no coating, it is also **easily washable** with a damp cloth and the use of neutral soaps.

It is also possible **to sanitize the carpet** by using 70% hydroalcoholic solutions.

All Mat Gold carpets comply with European **REACH** regulations on the use of chemical substances and are produced with **PHthalates FREE dyes**.
