

35 mm decorative synthetic grass 50 m² roll - €14.16 per m²

Product features:

Points per m²: 19550

Yarn Thickness: 180/85

Total weight of the covering g/m²: 2050

Yarn structure: Monofilo dritto + Monofilo Riccio

Height of the turf surface mm: 35

Product description:

Decorative synthetic grass surface. With a soft thickness of 35 mm, this surface has an excellent aesthetic result and is very pleasant to walk on, giving a sensation of softness to your step. Composed with a spinning system that involves the presence of straight green threads and curly beige threads, it allows you to simulate the effect of a natural turf.

Each roll is 2 m high x 25 m long equal to a coverage of 50 m²
