### Product description:

#### Brantome II Tahe Outdoors life jacket - Size L/XL

The life jacket is an accessory that cannot be missing from the equipment of anyone who **practices marine sports near the coast**.

Made of **nylon** and **padded with foam**, the Tahe Brantome II falls into the category of "**buoyancy aids**" and must only be used for **recreational and sporting activities** carried out close to the coast.

Equipped with **ISO 12402-5 certification**, this life jacket is therefore ideal for those who practice **canoeing, kayaking, jet skis, SUP, windsurfing and kitesurfing**.
