Product description:

The Mat "Cubone" model is the **sporting Mattress non-slip bottom**, which is ideal for **artistic gymnastics**, especially for **vaulting exercises**.

The Cubone is made by 21kg/m³ density sponge and covered in PVC 650 gr per square meter.

With dimensions of **200x100x80 cm**, it can be used on two sides, allowing the gymnast to choose the most suitable size for the exercise.

This typology of mattress has two sides, one of 200cm and one of 80cm , both of them covered with non-slip PVC.

The cover has a zipper with faux leather reinforcement on the end, which allows the cover removing. Carrying handles, vent net and possibility of adding (optional) handle with metal ring for storage.

This can be made in blue, yellow, green, red, at no extra cost.

If color is not specified, the color available in stock will be sent.

Any color preferences can be written in box "notes" at the order time.
