Product description:

The **Mikasa V330W** is a **training ball**, which is characterized by the excellent **value for money**.

As well as the Mikasa V200W competition ball, this **V330W** also features an aerodynamic **18-panel design** , perfectly balanced.

This construction **improves ball movement** , giving players **better control**.

The **Mikasa V330W** is perfect for **school use** , or for **teaching volleyball fundamentals**.
