Product description:

Vinex Training Wood 3kg steel throwing disc

Throwing disc, **specific for training** , made of **galvanized steel and wood** , has a **greater weight** than classic discs to allow the athlete to **develop greater strength and increase the range of the throw**.

This disc produced by Vinex, **weighing 3 kg** , is made of **galvanized steel and wood** . The **steel edge of the disc** has a thickness of 3.5 cm where part of the weight of the tool is distributed, the edge also **favors grip** , and improves throwing.
