Product description:

The 5m x 2m single football goal, weatherproof and highly durable, is perfect for outdoor use as well as classic indoor 5-a-side matches. As well as being an ideal football goal for clubs, the 5-a-side capabilities also make it a premium option for schools, coaches and sports centres.

The single football goals 5x2 meters in powder-coated tubular steel, diameter 80 mm, has a side profile 80 cm in the upper part and 100 cm in the lower part.

Made in our factory, these five-a-side goal can be installed to the ground, indoor and outdoor. Having been powder coated in a classic white, the weatherproof football goal can endure the depths of winter as well as sun-kissed summer afternoons, boasting the ability to stay set up outdoors throughout the season.

Goal with dimensions of 5x2 meters is indicated by the FIGC for tournaments and competitions in the "junior" and "debutante" category.

The goal is supplied with all the nuts and bolts useful for their assembly and fixing to the playing field.

The single goal is disassembled, just check the "attachments" section of the product to download the assembly instructions.

The 5x2 goal **is** available in two models:

- Transportable, to fix on the ground by locking pins
- Fixed, equipped with bushes to be buried
