

World Athletics approved fiber shot put toe clip

**Product features:**

Material: Glass fiber

Certifications: World Athletics

**Product description:**

**World Athletics approved fiberglass footplate for shot put platform.**

Made entirely of **fibreglass** , and painted **white** as required by the technical regulations, the toeboard must be positioned so that the internal edge coincides with the internal edge of the platform.

This has the purpose of delimiting the space available for the athlete to prepare for the throw.
