Product description:

TOORX WBX-2200 is the adjustable bench for professional use from the Toorx Professional line.

Made of **reinforced steel tubes** with an oval section 100x50 mm - 3 mm thick, making **the structure extremely stable and robust** .

The particular double epoxy powder painting gives an anti-scratch treatment. Made with 65 mm thick cushion covering to ensure maximum comfort.

The **Toorx WBX-2600** lumbar bench is equipped with **handles to facilitate movement**.
