Maximum loadable weight:

#### **Product description:**

**TOORX PROFESSIONAL ROW MACHINE FWX-5200** is the **free weight bench** aimed at **training the back muscles** of the new Toorx Professional line.

The structure is made of **reinforced tubular steel with** an oval section of 50x120 mm and a flat section of 40x80 mm, making it extremely **stable and robust**. The particular double epoxy powder painting gives an anti-scratch treatment.

The pull-up arms have an independent movement and a divergent thrust angle which guarantee **intense and effective muscular activity** .

The **Power Grade bearing system of the TOORX PROFESSIONAL ROW MACHINE FWX-5200 bench** guarantees precise and progressive movement.

The backrest and seat cushions adapt to the shape of the user's body , **ensuring optimal support and comfort** .

**TOORX PROFESSIONAL ROW MACHINE FWX-5200** is equipped with **ergonomic aluminum handles and reinforced steel traction arms**.

To be loaded with Olympic discs.
