#### Product description:

##### Toorx Experience Plus treadmill with AC motor

**High-end home fitness treadmill**, the new **Toorx Experience Plus AC** is characterized by a **modern design** , inspired by **professional gym mats** , and by its extensive standard equipment.

This treadmill is equipped with a **powerful 3.5 nominal horsepower and 5 peak alternating current horsepower**, the same as the carpets found in the gym, capable of pushing the **belt from 50 cm wide**, at a **speed of 20 km/h** .

There is no shortage of the **most advanced technological solutions** , such as **smartphone/tablet support**, Bluetooth speakers and **App Ready 3.0 features**.

The **LED display** is large and easily readable, where it is possible to view all the information relating to your training, including **heart rate** , the latter detected both via the handheld sensors and the heart rate monitor supplied as standard.

**Quality is guaranteed for 5 years with home assistance**
