

Product features:

Material: Powder-Coated Finish: Powder-coated Accessories:

Product description:

Revolving manual scorecard with 4-digit base.

Scoreboard made of powder-coated steel, on a revolving support, equipped with 4 digits (2+2) Meteor model, two-tone red and blue.

The scorecard is **perfect for both indoor and outdoor use**, thanks to the **great visibility of the two-tone numbers.**

The **numbering goes from 0 to 99** and can be quickly modified using the special sliding tabs and finds its application in many sports, such as volleyball, basketball and football.
