**Product description:**

Dedicated to those with space problems, **F-3 FOLDY is stable and sturdy** and, thanks to the **innovative folding legs, it can be folded and stored after use.**

Ideal for all environments where there is no possibility of dedicating a special space to the table football table, it can be stored comfortably.

The **play surface is made of laminate, with space-saving folding legs.**

Scoring goals is easier and more fun thanks to the **goalkeeper who rotates on himself** and the particular configuration of the players, arranged according to the scheme: 1 (goalkeeper), 2 (defenders), 4 (midfielders), 3 (forwards).

**This table football maintains an excellent quality/price ratio**
