

Mirage S40 Hrc treadmill electric inclination heart rate monitor included APP Ready 3.0

#### **Product features:**

Motor: 4 HP

Speed:

Inclination: Elettrica 15% su 15 Livelli

Tape thickness: 1,6 mm

Shock Absorbing System:

Roller diameter:

Maximum User Capacity: 130 Kg

Console:

Heart Rate Detection:

Dimensions Open:

Dimensions Closed:

Packaging dimensions:

Product weight:

Weight of the packaged product:

Certifications: CE, ROHS, EN957

#### **Product description:**

**Toorx Mirage S40 treadmill offers cutting-edge technological solutions thanks to patented technological solutions such as EN 957 compliant handrails that can be folded with a simple gesture and the exclusive "Smart Rings" for speed and inclination adjustment.**

**The Toorx Mirage S40 treadmill allows you to reach a maximum speed of 22 km/h , starting from a minimum of 1.0 km/h with increments in steps of 0.1 km/h.**

Equipped with a beautiful **console where there are 6 White LED Displays and 1 Display with graphics** from which you can view time, distance, speed, step (steps), altitude (difference in altitude), pace (step per km), inclination and **pulse**, detected via hand pulse sensors **and through the Toorx Cardio Strap included.**

An absolute novelty, as already mentioned, is the **Smart Ring , 2 silver ring-shaped rings on the console** which allow you to increase or decrease speed and inclination with **light pressure** . Also equipped with a control panel with capacitive touch screen technology.

APP READY 3.0 - USB input for TRX APP GATE 3.0 (optional).

Intelligent Bluetooth system that allows you to take advantage of outdoor training apps. Includes iConsole+ Training App. Compatible with Zwift and Kinomap (subscriptions not included)

The structure is robust and solid, weighing 101 kg, it has a very simple and immediate opening/closing system, it will take just a few seconds!

Lifetime warranty, pre-assembled 80%. Also equipped with nr. 4 wheels for easy transport.
