Product description:

The **JK Fitness Super Compact SC48 treadmill** is characterized by an innovative design and high-level performance.

Equipped with a **2.0 HP continuous power motor with peak at 3.0 HP**. It allows you to reach a **maximum speed of 16 km/h**, starting from a minimum of 1.0 km/h with 2 preset speeds and is adjustable in increments in steps of 0.2 km/h.

Equipped with **electronic inclination**, the inclination of the platform can be adjusted via the appropriate buttons on **12 different levels, 2 preset steps**.

It has a **high definition touchpad screen**.

Equipped with a 48 x 130 cm running surface cushioned by 6 elastomers. Anti-slip tape on double weave cotton canvas, 1.6 mm.

The **diameter of the rollers** of the Jk Fitness SC48 is **42 mm**.

Compatible with the Zwift and Kinomap Fitness Apps.

It features MP3 input with audio speakers, USB for charging your devices and a Bluetooth system for FitShow apps. Also equipped with speakers.

It features a console where you can view time, distance, speed, calories, inclination, pulse, detected thanks to manual

hand pulse sensors.

SC48 has many programs available: **Manual, 8 preset with speed and inclination variation, 3 HRC, 3 customizable and memorized.**

The treadmill can be **closed** thanks to the servo-assisted closing via hydraulic piston and can be moved using the wheels on the base.
