Product description:

The **EVERFIT TFK-130 motorized treadmill** is a good quality product with frame and motor guaranteed for 2 years

The Carpet is equipped with a powerful and reliable 1.75 horsepower continuous motor and a 2.75 horsepower boost, which push the running belt up to a speed of 12km/h.

The treadmill has 12 preset training programs and 1 free program to be set manually.

The platform measures 410x1220 mm with **a manual inclination** on 3 levels.

Complete with blue **backlit LCD display** to display, in addition to the most common data such as **speed - gradient - calories** , also **heart rate** , which can be monitored via handheld sensors.

The carpet is completed by a support for smartphones and tablets
