Product description:

The **DIAMOND** answer to the growing demand for a combination of **workout and entertainment** is the **T93 treadmill**.

The latest addition to the family of treadmills dedicated to professional users, **the T93 reaches 22 km/h** at maximum gradient and offers a **58x160 cm running surface with 2.5 mm non-slip orthopedic tape**, cushioned by **2 front elastomers and 4 double perimeter elastomers** with retaining spring, to avoid rebounding, in complete comfort and safety, for users weighing up to 200 kg, served by a **6.0 HP AC continuous motor**.

Heart rate detection is monitored through the **hand pulse system, integrated wireless heart rate monitor receiver**.

Polar T34 heart rate monitor strap as standard.

Such a beating heart is instrumental to an electronic brain that equips the **DIAMOND T93 with a 19.5" full touch screen**, serving an audio, video and social entertainment system that allows users of any level full immersion in the most effective workout accompanied, guided and assisted by **24 pre-set programs, 6 running scenarios, HRC programs and all the apps** that modernity makes available, including all social networks and pay TVs.

A world of discovery, participation and sharing lived in full swing towards personalized wellness and physical fitness goals.

Among the accessories supplied we find: wifi connection, pre-installed apps (youtube, google, netflix, spotify, facebook, amazon, instagram, dazn, skygo), MP3 input, USB for charging devices, bluetooth

speakers, bottle cage.
