Product description:

To play and have fun in complete safety , the **GL 394** course is ideal for setting up an entertainment area also suitable for children with disabilities.

The structure is composed of:

- **1 carriage with roof and a play platform** complete with polyethylene panels*;
- **2 seahorses** with round pole supporting structure
- **1 "tic tac toe" game panel** , with upper periscope
- **1 polyethylene play panel*** "car with steering wheel" on one side and "ship with rudder" on the other
- **1 trumpet** and a bell at the exit
- **2 ramps** , one for entry and one for exit, for wheelchairs, with a reduced inclination to allow transit for disabled children.

*PE-HD/UV polyethylene compliant with UNI 10667 regulations on recycling

TÜV certificate of conformity nr. VA_MES 15 03 051 EN 1176 – 1:2008 TEST REPORT nr. MEC 14141.00

Characteristics:

Drop height (HIC): cm. 60

TUV approved for " public use" according to EN 1176:2017 standards
