**Product description:**

The **locker Gana Sport 6 boxes** has a size of **123x45x210 cm**, with **each box of cm 40x100** and it is particularly suitable for storing objects such as bags, helmets, wallets, mobile phones, glasses, etc.

Useful for users to store their personal belongings in a large space and at the same time furnish the environment in a harmonious way. Often alternated with elements of the same size or with different compartments, **this cabinet is certainly the best seller in its category.**

**Each wardrobe is modular** and can be combined to create homogeneous and stylistically very pleasant wardrobe walls. Equipped with immovable internal furniture, it offers the possibility of two coat hangers and **excellent ventilation of the compartment.**

This wardrobe is ideal to furnish **gyms, swimming pools, sports clubs** and also for **offices**, where it is therefore necessary to offer greater security to the guests belongings.

Made with **chipboard panels** faced with **18 mm thick wood essence.**

The wardrobe can be customized on request, even printing directly on the wood with a photo-impressive ultraviolet technique for a great effect. The photographic quality print can be used to reproduce the client's logo or to recall furnishing details in order to harmonize the wardrobe with the environment.

It is also possible to customize the item by direct engraving on the doors.
