Product description:

Monochrome printing service on sports mattresses

Gana Sport offers its **department dedicated to screen printing and digital printing** , to allow you to **customize the sports facilities and mattresses** we produce with **your logo, or the sponsor's print**.

The monochrome printing service on sports mattresses **includes the creation of the printing cliché and a single color print**, to be positioned according to the customer's instructions, and compatible with the dimensions of the support, on one side of the mattress.

The **maximum dimensions are 29.7x42 cm (A3)** to be adapted depending on the logo.

NB: The printing service does not include the graphic processing of the logo, which must be sent by email in a format suitable for printing (vector or related PDF)
