Product description:

The **DIAMOND** answer to anyone looking for the right combination of **workout and entertainment** is the **T96 treadmill** .

This **treadmill** is dedicated to professional users, **the T96 reaches 25 km/h** at maximum gradient and offers a **60x165 cm running surface with 3 mm non-slip orthopedic self-lubricating belt** , cushioned by **6 elastomers** to give full **comfort and safety** , for users weighing up to 200 kg, served by a **7.0 HP AC continuous motor**.

The heart rate is detected and monitored through the **hand pulse system, integrated wireless heart rate monitor receiver** .

Such a beating heart is instrumental to an electronic brain that equips the **DIAMOND T96 with a 21.5" full touch screen** , serving an audio, video and social entertainment system that allows users of any level full immersion in the most effective workout accompanied, guided and assisted by **36 preset programs, HRC programs and all the apps** that modernity makes available, including all the social networks and apps for listening to your favorite music

A world of discovery, participation and sharing lived in full swing towards personalized wellness and physical fitness goals.

Among the accessories supplied we find: wifi connection, pre-installed apps (Google Chrome, Netflix, Spotify, Facebook, Amazon Video, Youtube, Twitterterm Fitshow), Fan, USB for charging devices, Bluetooth Speakers, Wireless Charging for Smartphones and Tablets, Storage Compartment and 2 bottle cages.)
