Product description:

The **DIAMOND T89 treadmill** is the answer to anyone looking for the right combination of **workout and entertainment**

This **treadmill** is suitable for those looking for a professional product, in fact, **the T89** is powered by a **4.0 HP continuous AC motor**, reaches **22 km/h** at maximum gradient and offers a **50x150 cm running surface with 2.3 mm non-slip orthopedic tape**, cushioned by **4 double perimeter elastomers** with retaining spring, to avoid rebounding, and **2 front elastomers**, in full comfort and safety, for users weighing up to 200 kg

The heart rate is detected and monitored through the **hand pulse system, integrated wireless heart rate monitor receiver . T34 heart rate monitor** as standard

Such a beating heart is instrumental to an electronic brain that equips the **DIAMOND T89 with an 18.5" full touch screen**, serving an audio, video and social entertainment system that allows users of any level full immersion in the most effective workout accompanied, guided and assisted by **24 pre-set programs, 3 HRC programs, 6 running scenarios, Test Body Fat and all the apps** that modernity makes available, including all the social networks and apps for listening to your favorite music and pay TV

Among the accessories supplied we find: **wifi connection, pre-installed apps (Google Chrome, Netflix, Spotify, Facebook, Amazon Video, Youtube, Instagram, Dazn, Skygo), USB for charging devices, Bluetooth speakers and 2 bottle cages.**
