**Product description:**

WSC-24s electronic shot clock display board

**The indoor electronic 24-second scoreboard** for **basketball** , **5-a-side football** and **water polo** . small dimensions of only 28.5x32 cm, connectable to the FS or FC series scoreboard, **FIBA Level 2 approved**

Despite the size, the **readability of the information** remains high, the board is in fact equipped with **high definition LEDs** which remain visible up to a **distance of 70 meters and a visibility angle of 150°**.

The electronic **scoreboard** , thanks to the particular Plexiglass front panel, does not require protection, in fact, it is **resistant to ball hits** as per **DIN18032-3 and UNI 9554:1989 regulations**.

**The scoreboard** allows you to **view the seconds of possession programmable from 0 to 99**.

One of **the great advantages** of this **scoreboard** is the possibility of being controlled via the **touchscreen console** (not included) and can also be used in **wireless mode**, thus saving on installation costs.
