Maximum loadable weight:

Product description:

The **DIAMOND 500 Series Front Pulldown** was designed around **human movement** .

The possibility of loading the arms independently allows **divergent and independent movements** for **optimal biomechanics** .

Isolateral movements allow the user to train with both limbs together, independently or alternately.

The **multiple grip** on each arm gives the user **increased comfort** and the possibility of varying the exercise mode.

The seat, **comfortable and ergonomic** , is adjustable to different heights, in the same way as the leg block, so as to adapt to all users.

High density **foam padding** , PU leather upholstery "for furniture". **4 disc holder pins** for easy and immediate storage.
