Product description:

The **DIAMOND 500 Series T-Bar** is a specific machine for **training** the entire **back** , with a synergistic intervention of the entire **posterior muscle chain**.

The **adjustable anti-slip footboard** moves on a double guide rail made of alloy steel which guarantees, together with the linear load-bearing structure, safe and rapid adjustment and resistance of the entire structure over time.

The **multiple socket** gives the user increased comfort and the possibility of varying the exercise mode.
