Product description:

The **DIAMOND 550 Series Chin Up/Dip** assisted machine is a fundamental tool for the user's progression in the success of **free body chin ups/dips** . The support platform is practical and comfortable to use even for beginners and for those who want to develop their execution technique.

The **multi-position sockets** increase the possibilities of use for the user who thus has the opportunity to **diversify the areas he intends to stimulate** .

High density foam padding , PU leather upholstery "for furnishings" and ABS protective casing. Machining of aluminum pulleys with CNC process; the bearings are built with high quality material to withstand high intensities and for a long time.

Full cover, virgin ABS material with **4mm thickness, durable and eco-friendly**. Coated metal cable with resistance capacity up to 1400 kg.
