Product description:

The **DIAMOND 550 Series Abductor/Adductor** combo machine is a dual-purpose product for the progression and strength training of the **abductor muscles of the outer thighs, adductors and glutes**.

The **adjustable starting position** offers easy entry/exit as well as a customizable range of motion.

The front-mounted stack acts as a screen for total privacy. High density foam padding, PU leather upholstery "for furnishings" and **ABS protective casing**.

Machining of aluminum pulleys with CNC process; the bearings are built with high quality material to **withstand high intensities and for a long time**.

Full cover, virgin ABS material with 4mm thickness, durable and eco-friendly. **Coated metal cable with resistance capacity up to 1400 kg**.
