

World Athletic Race Bundle - 10 Obstacles and 2 WA Approved Starting Blocks

Product features:

Product description:

World Athletic Race Bundle - 10 Obstacles and 2 WA Approved Starting Blocks

The bundle is **made up of 10 competition obstacles**, made of steel with 5 size adjustment using practical snap buttons, and **2 aluminum starting blocks**, also for competition.

Each component is made to be used in **international competitions of any level**.

The World Athletic Approved Hurdle:

The obstacle is made of steel, and is adjustable to **5 heights, 76.2 - 83.8 - 91.4 - 106.7 cm**, and is equipped at the base with the **weights necessary to counterbalance the tool**, to prevent it from overturning.

Both adjustments (height and counterweight) are possible using **practical snap buttons**, which make repositioning very quick.

The obstacle, in **compliance with the regulation**, has a base with a width of 105 cm, and mounts a 120 cm PVC stand.

The World Athletic Approved Starting Block

The starting block is made of **aluminum**, and has **footrests adjustable to 5 inclinations**, covered with **non-slip** material. Each block can be **used both on the track and on the ground**, thanks to the specific stop kit supplied.

Gana Sport has created this bundle to give all athletics clubs the opportunity to purchase World Athletic approved competition equipment.
