## **Product description:**

Puma Orbita Replica Serie A match football Puma Orbita size 5 soccer ball.

This ball made by Puma for the Italian Serie A is characterized by a 32-panel construction process in textured PU and TPE, for an increase in rebound and power.

The ball is entirely **sewn by hand**, to guarantee the highest possible quality.

Suitable for use on both **natural grass and synthetic grass football** pitches, this replica of the official ball is **perfect for use in competitions**, **tournaments or training.**
