

Volleyball referee stage with seat and adjustable height

Product features:

Finish: Powder-coated

Height:

Seat height:

Mepa: Disponibile

Product description:

Volleyball referee stage , equipped with an **ABS seat** and a **wide and stable platform** that allows the match judge to follow the match in an extremely natural way, being able to completely forget about stability problems.

The height of the podium is adjustable according to the physical structure of the competition judge, from a minimum of 90 cm to a maximum of 150 cm, thanks to a square steel piston with a side of 10 cm and with a lifting system and ratchet lock.

The system allows **easy adjustment and stable and safe fastening** . Access is allowed and guaranteed by means of a ladder 33 cm wide and as high as the stage, guaranteeing support for a comfortable stance.

Equipped with **anti-scratch wheels** for delicate floors, it can be easily removed to allow the versatility of the sports facility.

Painted in blue with epoxy enamels, the durability of this article is, as always, a Gana Sport guarantee.

Made in Italy product, entirely made in our factories.
