

Gym wardrobe with 4 doors

#### **Product features:**

Material: Melamine chipboard

Dimensions: 83x45x210 cm - Door size 40x100 cm

#### **Product description:**

The **4-doors wardrobe** for **changing rooms** is the most adopted solution to **furnish gyms and sports centres**, as it allows the placement of many wardrobes in a small space.

Useful for users to store their personal belongings and at the same time it furnishes the environment in a harmonious way. Often alternated with elements of the same size or with different compartments, this cabinet is certainly the best seller in its category.

**Each wardrobe** is modular and it can be combined to create homogeneous and stylish changing room. Equipped with immovable internal furniture, it offers the possibility of two coat hangers and a **good ventilation** of the compartment.

Made with **chipboard panels** faced with 18 mm thick **wood essence**.

#### **Compartment size: 40x100 cm**

Each compartment is equipped with its **own ventilation grid** to avoid condensation.

**The wardrobe can be customized on request**, even printing directly on the wood with a photo-impressive ultraviolet technique for a great effect. The photographic quality print can be used to reproduce the client's logo or to recall furnishing details in order to harmonize the wardrobe with the environment.

It is also possible to customize the item by direct engraving on the doors.
