Product description:

This **3-doors wardrobe** is usually used by the gyms and it is able to offer **three large useful compartments**. The **side by side compartments are cm 198x31,4** with a **depth of 45 cm** to harmonize with all the other wardrobes in the line. Each compartment with its own lock and with **horizontal internal divisions**.

Useful for **fitness centres, beauty centres, spa, gyms** and wherever there is a need to store big items. All compartments have hangers and they are high enough to hang clothes.

Made with **chipboard panels** faced with **18 mm thick wood essence**.

Each compartment is equipped with **its own ventilation grid** to avoid condensation.

The wardrobe can be customized on request, even printing directly on the wood with a photo-impressive ultraviolet technique for a great effect. The photographic quality print can be used to reproduce the client's logo or to recall furnishing details in order to harmonize the wardrobe with the environment.

It is also possible to customize the item by direct engraving on the doors.
