Product description:

The **TOORX TRX POWER COMPACT S motorized treadmill** is an excellent quality product guaranteed for 5 years. It is also space saving making it ideal for **home fitness**.

Equipped with a powerful and reliable **3.5 horsepower continuous motor and a 5 horsepower starting point**, they push the running belt up to a **speed of 20km/h** with an increase of 0.1 km/h.

The running surface measures 470 x 1320 mm, with a 2.0 mm tape thickness. **The inclination can be electronically modified on 15 levels, allowing you to simulate slopes of up to 15%.**

The treadmill has 14 preset training programs , 1 free program to be set manually, **3 HRC, Body Fat Tester**

Complete with blue **backlit LCD display** to display, in addition to the most common data such as **speed - inclination - calories - lap 400 meters - running program**, also the **heart rate**.

This treadmill includes **support for smartphones and tablets , heart rate monitor , Bluetooth speakers , READY 3.0 APP , USB input** for TRX APP GATE 3.0 (OPTIONAL), intelligent Bluetooth system that allows you to use APPs for outdoor training. Includes iConsole+ training APP. Compatible with Zwift App and Kinomap fitness APP (subscriptions not included).
