Product description:

The **Everfit TFK Slim Mag magnetic treadmill** is an innovative product, very compact, silent, suitable for home use and will be an excellent companion for your workouts.

The **treadmill has two flywheels for a total of 6 kg** which guarantee excellent walking fluidity and very silent smoothness.

It is possible to adjust the walking effort manually, using the appropriate knob, on 8 different levels.

The running surface is large and measures 38 x 102 cm.

The structure of the **TFK Slim Mag Everfit** is **very compact, takes up little space**, and can support a user with a **maximum weight of 100 kg**.

The console has a practical **LCD window** where the time, distance, speed, calories and pulse detected via the appropriate Hand Grip manual sensors are constantly displayed.

The **Everfit treadmill is foldable** and can be moved easily thanks to the practical wheels located on the base.

The Everfit TFK Slim Mag magnetic treadmill has a 2-year warranty on all components.
