Product description:

The **Everfit Tfk 950 motorized treadmill** is an excellent quality product guaranteed for 2 years.

Equipped with a powerful and reliable 3.5 HP motor with continuous power with a peak of 5 HP, they push the running belt up to a speed of 22km/h with an increase of 0.1 km/h.

The running surface is also equipped with a **4-elastomer Soft Tech Cushions shock-absorbing system**. The **deck** measures 500x1540 mm, with a tape thickness of 1.6 mm. The inclination can be electronically modified on 15 levels, allowing you to simulate slopes of up to 15%.

The treadmill has **1 free program, 3 target programs, 24 presets, 5 User, 3 HRC, body fat tester** for training aimed at achieving specific goals.

Complete with blue black light **backlit LCD display** to display, in addition to the most common data such as **speed - inclination - calories - running program** , also the **heart rate**. This treadmill also includes a **wireless heart rate monitor receiver**.

The TFK 950 is an **App Ready 2.0** product: it is the intelligent **Bluetooth** system that allows you to use the most motivating and fun Apps specific for treadmill training. Includes iConsole+ Training App with maps, routes, fitness plans and training data. Compatible with **Kinomap Fitness** (subscription not included) with more than 120,000 km of geolocalised videos stored around the world.

The carpet is completed by a support for smartphones and tablets.
