#### **Product description:**

**The Toorx Msx 50 multifunction station** is the new and first model of the Home Fitness line equipped with an adjustable leg press.

Despite the price, it is built with the highest quality materials and construction sturdiness, with a modern and attractive design.

The **structure is solid, weighs 126 kg** , and has a **reinforced steel tube with a 50 x 50 mm square section with double epoxy powder coating, scratch-resistant**.

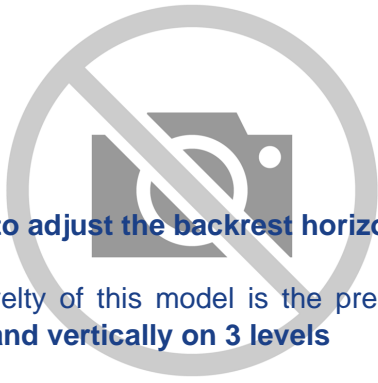

This model, like the others in the line, is also equipped with a system of **interwoven steel cables coated in polyurethane, with a breaking load of 2000 kg and a system of pulleys and pulleys with ball bearings**.

The **weight pack supplied with the Msx-50 multifunction station is 70 kg with lateral micromesh protection guard**; supplied we find the **triceps bar, 2 multi-adjustment handles and ankle support for chin-ups**.

It is possible to perform multiple exercises for all muscle areas in total safety and simplicity: Triceps, Abdominal Crunch, Leg Extension, High Pull Ab Crunch, Tricep Push-down, Lat Pull Down, Biceps, Pectoral Fly, Seated Row, Front Press, Leg Kick Back, Seated shoulder Press, Upright Row, Standing Leg Curl, **Arm Curl** , **Adjustable Leg Press** .

The **seat size is 37 x 33 x 5.5 cm**

The **size of the backrest is 67 x 32 x 5.5 cm**

It is possible **to adjust the backrest horizontally on 3 levels and the seat in height on 4 levels.**

The real novelty of this model is the presence of the **Arm Curl** of the **Leg Press** , the latter can be **adjusted horizontally and vertically on 3 levels**

The ankle **locking and leg extension rollers** are made of **high density foam with eco-leather covering.**
