Warranty: 2 years

Product description:

The **Toorx Trx 100 treadmill** has a **motor supplied with a power of 4 HP with a maximum peak of 7 HP DC** and allows you to reach a speed of **22 km/h** starting from 1.0 km/h, with step increases of 0.1 km/h.

The **platform can be electrically inclined to 15 different levels**. Equipped with **hand pulse sensors for heart rate detection and integrated wireless heart rate monitor receiver**.

The **console has a blue backlit LCD display** with support for smartphones and tablets thanks to which it is possible to constantly monitor speed, heart rate, distance, time, inclination, calorie consumption, speed and inclination profile, running program, 400 meter lap. 1 free program, 16 presets, 3 users, 3 HRC, body fat tester are present in the memory.

The running surface is very large and is cushioned by 8 elastomers and by the brand new patented MULTI AIR CUSHION system which manages to absorb a high percentage of impact.

The treadmill is equipped with a practical support for tablets and/or smartphones and has built-in ventilation.

It is supplied with an input for an **MP3** player and **2-way** speakers.
