

Toorx Olympic Crumb Bumper Disc

Product features:

Warranty: 2 years

Hole diameter: 50 mm

Disc diameter: 45 cm

Product description:

This **bumper crumb disc** , branded **Toorx** , is ideal for those who want a quality product.

The Olympic Bumper Crumb Disc has a **50 mm diameter hole**, a **45 cm diameter disc** and a **flared stainless steel bushing** for very comfortable loading and unloading of the barbells.

Composed of **high pressure and density rubber particles** for optimal strength and elasticity.

Silence, resistance and a lower rebound capacity make bumper crumb discs ideal for CrossFit and functional training.
