

Disc Bumper Challenge Toorx

Product features:

Material: Stainless steel

Warranty: 2 years

Hole diameter: 50 mm

Disc diameter: 45 cm

Product description:

This **Toorx** brand **bumper challenge disc** is particularly appreciated by those who want to achieve optimal results.

The disc is made of colored rubber with **a 50 cm diameter hole and a flared stainless steel bushing** for very comfortable loading and unloading of the barbells.

The weight of the Bumber Challenge discs is identified by a specific colour, compliant with the international regulations of the Weightlifting Federation.
